Dear Ms. Justel,

I am very glad that *Cluster* will perform your "Feuillage de Silence" for flute, oboe and tape in the concert on 17 October. It would be pleasant for us to see you on the concert, but we should inform you that the board of the Festival could provide only your accommodation and meals for some days. It is a pity that we can not cover your travel costs, but this is the reality that our festival has a few money.

Anyway, if you solve this problem, we would be very glad to see you in L'viv.

Director of the Festival *Contrasts*

Volodymyr Syvokhip
