Dear **Elsa Justel**,

I have the pleasure to inform you that the jury of **PRIX ARS ELECTRONICA** selected your piece **FY-MOR** for a Honorary Mention in PRIX ARS ELECTRONICA 92 - congratulations.

There had been 353 entries in that category, the jury awarded three money prizes (Alejandro Vinao, Francis Dhomont and Wolfgang Mitterer) and 12 Honorary Mentions. As you can imagine, it was tough going for the jury.

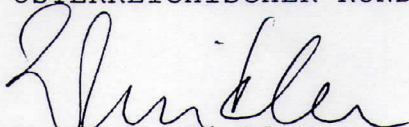

If you have any additional questions, please call or fax:
